

# PUBLIC LEDGER

SEVENTH YEAR.

MAYSVILLE, KY., TUESDAY, AUGUST 30, 1898.

ONE CENT.

LARGEST IN THE CITY.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can afford to give his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

# WE MAKE IT A POINT

To have our best lines in all our departments come in the middle of August. In a few days many of our young friends will resume their studies—some at home, others in foreign educational institutes. It has always been our pride to send the boys well dressed. No matter what town or city they go to Hechinger's clothes wearers are the proper dressed youngsters. For this fall we made greater efforts than ever to supply ourselves, and consequently you, with the noblest clothing that fashion subscribes. Our fall suits and overcoats are the highest types of merchant tailoring art. Our stock represents the production of the acknowledged leading houses in the country. Our line of Shirts, Underwear, Hats, Ties, etc., is simply great. If the young miss needs a nice trunk we can supply you.

## SHOES.

The results in our Shoe Department, though not a year old, are gratifying to us and fully as much to our shoe patrons. "The most comfortable pair of shoes I've worn for years," is the universal expression of those that wear them. Our \$2, \$2.50 and \$3 Smith & Stoughton French Calf Common Sense Shoes are the best in the market. Every pair we sell is made for us and warranted to give satisfaction. Money refunded if they don't. Our high-class Shoes, such as Vici Kid, Russian Calf, Patent Leather, Cordovan, &c., all of which are specially made for us by the Burt-Packard people, Brockton, Mass., fill the long felt wants in Maysville's shoe trade. We are daily receiving our full stock in these lines. If your summer shoes are about worn out and you think it late to buy lightweight footwear we can fit you in the coming style of Fall Shoes. Respectfully,

### LIST OF TEACHERS PRESENT.

The regular session of the Mason County Teachers Institute met yesterday at the High School Building at 9 a. m.

Devotional exercises were conducted by Supt. Blatterman, the choir singing "Onward, Christian Soldiers."

Mr. Clarence Martin was chosen Secretary. Mr. Martin has repeatedly held this position in Mason county's Institute, and he is well suited to the place.

Supt. Blatterman then delivered his annual address to the teachers, after which an intermission was taken to give those present an opportunity to register. Over thirty at once placed their names upon the rolls.

When the house was again called to order the Superintendent took the floor and presented to the Institute Prof. W. E. Dumley of Pulaski, Tenn., the Instructor. Prof. Dumley gave an excellent address on "The Work of the Teacher and the Work of the Institute."

The Institute adjourned until 1:30 p. m.

Prof. Dumley took up the subject of "Psychology" and occupied the entire afternoon with his discussion. He defined psychology as "studying our possibilities," then proceeded to take up each of its divisions in their proper order, clearly illustrating every step and quoting from the most eminent writers upon the subject. His talk was thoroughly enjoyed by all who heard him.

Institute adjourned until 9 a. m. Tuesday.

## HORRIBLY MANGLED.

Bert Stubblefield, a Brakeman, Victim of an Accident on the C. and O.

Mr. Bert Stubblefield was the victim of a terrible accident on the C. and O. at Mentor yesterday.

Mr. Stubblefield is a brakeman on the road, and while coupling cars at the above-named place he slipped and fell.

The train was in motion and forty cars passed over the unfortunate man, both hands and both legs being cut off and his face horribly mashed.

Deceased was 34 years of age and is well known in this county.

About a year since he married Miss Anna Stubblefield of Rectorville, a third cousin, who is now at the home of her mother in a delicate condition.

His sister, Miss Addie Stubblefield, left this morning for Covington where the remains of Mr. Stubblefield were taken after the accident for interment.

## "YANKEE DEWEY DO."

A Maysville Citizen Writes a Parody on the Famous "Yankee Doodle Do."

It is Mr. W. C. Pelham who this time comes to the front with Spanish war souvenirs.

A few weeks ago Mr. Pelham composed some verses, bearing the title "Yankee Dewey Do," and written as a parody on "Yankee Doodle Do," the song sung everywhere in the United States.

He sent them to the Editor of the paper published on the United States Flagship Olympia, and a few days ago received the following letter, acknowledging receipt of the verses:

U. S. FLAGSHIP "OLYMPIA," MANILA, P. I., July 18th, 1898.

Mr. W. C. Pelham—Dear Sir: Yours of the 10th ult. received and hasten to thank you for your favor as regards those verses. Sorry to say however that the paper was printed ere your letter arrived and was therefore unable to insert your piece, but I posted it on the bulletin board and sufficient to say nearly all the boys are singing it. On their behalf I thank you again. Inclosed is a copy of my paper, "The Bounding Billow."

Hoping you will like it, I am, sir, yours respectfully, L. S. Young,

Apprentice, First Class, U. S. Navy.

As I write Admiral Dewey is visiting the newly-arrived soldiers who are cheering him like mad. Just received news of Sampson's victory. We are nearly crazy. God bless our country! Your fellow-patriot and countryman,

L. S. Young.

Excuse the digression. So related.

The paper accompanying the letter is bright and artistic and reflects credit upon Editor Young and Printer H. B. Glover. Among other things it contains full reports of the Battle of Manila Bay in prose and in poetry, accompanied by a map made by L. C. Passano, a jackie of the Olympia, who had no other gravers than a pair of sail needles.

It is to be regretted that a copy of Mr. Pelham's composition was not obtainable, but it is hardly necessary to say it would meet with as much favor with Maysville patriots as with the United States sailors in far away Manila.

## Worth Saving.

" February 4th.....	232.20	101.30	130.90
" March 4th.....	222.40	77.00	145.40
" April 4th.....	174.80	78.80	96.00
" May 4th.....	170.80	77.40	93.40
